THE KILGORE SEED COMPANY

General Offices and Mail Order Department

PLANT CITY

FLORIDA

IMPORTANT DIRECTIONS TO CUSTOMERS

By carefully observing the following directions, mistakes and misunderstandings will be very largely avoided

How to Order

Be careful to sign your name, box number, street or rural route, post office and State on every order. Be sure to tell us your nearest express or freight office should you desire the seed or merchandise forwarded by express, freight or truck line.

Cash With Order or C.O.D.

Ours is a cash business. Prices are made on that basis. Customers are requested to remit when ordering and by so doing save the C.O.D. fee charged by express companies, banks, and postal authorities for collecting and returning money.

Perishable Items Not Sent C.O.D.

Perishable items such as rose bushes, nursery stock, seed potatoes, etc., are not sent C.O.D. under any circumstances.

How to Send Remittance

Remittances should be made by money orders, checks or cash. Please do not send stamps.

Transportation Charges

Please bear in mind that the postpaid prices indicated in this price list include delivery to any point in Florida only.

In making your order do not fail to include the necessary postage when the items you are ordering are not marked "Postpaid." Often, especially on small packages, you can save money by taking advantage of the lower parcel post rates. If you fail to include postage, we will necessarily have to reduce the order or send "Express or Freight Collect."

When shipments are to be made by Express or Freight, it is very important to designate your Express or Freight Station.

Prices Subject to Change

The prices indicated in this price list supersede all former quotations, including catalogs and previous price lists.

The price list is printed during the Summer. The market on many items of garden and field seeds, as well as supplies, has not yet been fully established. Consequently, prices on these items indicate value at time these pages are printed. In practically all cases orders will be filled at prices indicated in this price list *but all prices are subject to change without notice.* Write for prices on larger quantities.

Return of Seeds for Exchange

To safeguard our customers and ourselves we will not permit seeds to be returned if the package containing the seeds has been broken. Unbroken packages may be returned for exchange within a period of ten days after we have sent out the seeds, in case a mistake has been made in filling your order, and we will gladly make correction without any expense to you. No customer would want to plant seed that had been returned from broken or opened packages, nor would we feel safe in filling an order with such returned seed. This is one reason we have never followed the policy of putting out our seeds to dealers. Our seeds are never out of our hands until they are sold direct to you through our mail department or through one of our own stores.

Warranty and Limitation of Liability

We warrant that the seeds, bulbs and plants we sell are, at the time of delivery, as described on the container within recognized tolerances; but we limit our liability on this warranty to the amount of the purchase price of such seeds, bulbs and plants. We give no other or further warranty express or implied. THE KILGORE SEED COMPANY.

What Vegetables and When to Plant During the Late Summer and Fall Months in Florida

INFORMATION REGARDING KILGORE'S ANNUAL CATALOG, AND KILGORE'S FLOWER GUIDE FOR FLORIDA

Instead of sending out a fall catalog, we are furnishing you with this Fall Planting Guide for Florida. This serves as a supplement to Kilgore's large annual catalog, in which will be found complete detailed cultural directions for all vegetable crops when grown under Florida conditions, along with accurate description of each variety listed. Our annual catalog also contains a complete listing, with prices, of different fertilizers, insecticides and fungicides, sprayers, dusters, Planet Jr. tools, miscellaneous tools and farm supplies, canning equipment, poultry and beekeeper's supplies, a stock of all of which we keep at all times in our fourteen Florida stores, also in our mail order department, Plant City, Florida. If you have misplaced or lost your annual 1950 catalog, we will gladly send you another copy upon request, or send you prices and information you desire with reference to any of the grower's supplies we handle.

Kilgore's large, new Annual Catalog for 1951 will be available about the first of December, 1950. If you do not receive a copy of this valuable book through the mail by the middle of December, just drop us a line to Plant City, Florida, and we will gladly send you a free copy and place your name on our mailing list.

If interested in beautifying your home surroundings with flowers write for "Kilgore's Flower Guide for Florida." Our new edition of this valuable Flower Guide will be available about September 1st, 1950. Send for your free copy.

**Spacing For Vegetable Plants in the
Field or Garden**

<i>KIND OF VEGETABLE PLANT</i>	<i>Space Between Rows</i>	<i>Set Plants from Seedbed, or thin out to inches in row</i>
Beans (Bush).....	2 to 3 ft.	3 to 4 in.

Turnip.....	15 to 20 in.	4 to 6 in.
Watermelon.....	8 to 10 ft.	6 to 8 ft. (hills)

GARDEN SEEDS

All prices quoted are subject to change without notice

STRING or SNAP BEANS

Our bean seed is first class, high germinating, western-grown stock, from the best western growing areas, all carefully milled, hand picked, graded and fitted for the critical grower.

Plant 3 pecks (45 lbs.) to 1 bushel (60 lbs.) per acre. In the garden make four plantings at different times. Plant $\frac{1}{2}$ lb. to 100 ft. at each planting for a family of 3 or 4 people.

The number of days to picking, indicated in parenthesis after each variety name, represents average results secured over a period of years under Florida growing conditions.

Bean prices quoted are F.O.B., Plant City, except 2 lb. lots or less which are postpaid. 1 bushel weighs 60 lbs.

Green Podded Bush Beans

				15 lbs.	60 lbs.
Stringless Black Valentine (48 days)	..	.20	.55	1.00	4.05
Plentiful (50 days)	..	.20	.55	1.00	3.95
Bountiful (48 days)	..	.20	.55	1.00	4.10

IMPORTANT

The Florida Revenue Act of 1949 (Sales & Use Tax) imposes a 3% tax on the retail sales of many commodities. Numerous agricultural supply items are exempt from the tax, and for your guidance in determining tax exempt supplies shown in this Planting Guide, we list below those items that are not subject to the tax.

EXEMPT

Beekeeper's Gloves & Veils—See Bee Supplies non-exempt list
Cans & Jars
Crate materials
(a) Dusters
(a) Farm tools
Fencing—Farm use
Feeds—Farm animals
Fertilizers — Soluble Plant Foods
(a) Fumigants
Fungicides
Grafting Wax & Rubber Strips
Hotkaps
Insecticides including household
Label paste
Onion Sets
Peat Moss
Poultry & Stock Remedies
(a) Raffia & Twine
(a) Rubber Bands
Seeds—Vegetable, Flower, Field Crop, Pasture grasses
Seed Bed Cloth
Seed Inoculants
Seed Treating Compounds
Starter solutions & Root Inducing materials
(a) Sprayers
Terra-Lite
Tractors
Weed Killers

(a)—For commercial agricultural use.

Sales to Dealers, Government Agencies, Schools, Churches and Charitable organizations are tax exempt providing a Tax Exemption Certificate has been obtained from the State Comptroller. All orders from institutions or organizations claiming tax exemption must clearly indicate on order sent us, the certificate serial number and date of certificate.

IMPORTANT

Be sure to include tax with your order on non-exempt merchandise as we are not permitted by law to assume the Sales Tax.

The rate of tax applicable to non-exempt sales will be as follows:

(1) On single sales of less than 9c no amount shall be added for taxes.

(2) On single sales in amounts from 9c to 40c, both inclusive, 1c shall be added for taxes.

(3) On sales in amounts from 41c to 70c, both inclusive, 2c shall be added for taxes.

(4) On sales in amounts from 71c to \$1.00, both inclusive, 3c shall be added for taxes.

(5) On sales in amounts of more than \$1.00, 3% shall be charged upon each dollar or price, plus the above bracket charges upon any fractional part of a dollar in excess of even dollars.

NOT EXEMPT

Ant & Roach Poison

Baby Chicks

Bee Supplies—except Gloves & Veils

Brooders

Carbolineum

Cyanogas

Dog & Cat food & Remedies

Firearms & Ammunition

Fishing Tackle, etc.

Garden tools—(Except if sold to farmers)

Sunflower	6	lbs.	Mar.-Sept.

We are not bound for any definite time by the prices quoted in this price list. Due to present uncertain conditions, all prices quoted are subject to change without notice. We recommend that you order as early as possible. Our Grass and Field Seeds are recleaned, well bagged and of the highest quality stocks.

GRASSES

(For Fall Planting for Lawns and Pastures in Florida)

Good winter pastures in Florida will be more important in 1950 and 1951 than in many years because of the large number of live stock and the limited feed supplies.

All Grass seed prices quoted are F.O.B. Plant City except 1 lb. lots, which are prepaid.

Bermuda Grass (Unhulled)

For pasture, sow 25 pounds per acre. For lawns or golf courses, where a heavy thick sod is desired, sow 100 lbs. per acre, or 2 to 4 lbs. per 1000 square feet.

1 lb. 55c; 10 lbs. \$4.10; 25 lbs. \$9.75; 100 lbs. \$38.00.

Hulled Bermuda Grass

Sow 1 to 2 Pounds to Each 1,000 Square Feet of Lawn
1 lb. 70c; 10 lbs. \$5.80; 25 lbs. \$14.00; 100 lbs. \$55.00.

Carpet Grass

For pastures, sow 25 pounds of seed per acre broadcast. For lawns or golf courses, sow 2 to 4 lbs. per 1000 square feet.

1 lb. 40c; 10 lbs. \$2.80; 25 lbs. \$6.50; 100 lbs. \$25.00.

Sweet Sudan Grass

Sow 10 to 20 lbs. per acre.
Sweet, lb. 35c; 10 lbs. \$1.80; 25 lbs. \$4.00; 100 lbs. \$15.00.

Italian Rye Grass

For grazing or hay, sow at the rate of 50 lbs. per acre. For lawns or golf courses, sow 200 lbs. per acre, or 4 to 6 lbs. per 1000 square feet.

Write for prices.

Centipede Grass

Plant sprigs in rows 12 inches apart, and 3 to 4 inches apart in the rows. For lawns, plant 1 bushel of sprigs to 300 to 400 square feet. Shipped only by express, direct from the Florida nursery.

Not prepaid, 1 bu. \$2.00; 5 bu. \$1.75 per bu.; 10 bu. \$1.50 per bu.

Bitter Blue Stemmed St. Augustine Grass

Available April to November

Plant sprigs in well prepared soil, setting about 6 by 9 inches apart. For lawns use 1 bushel of sprigs for 200 to 300 square feet. Shipped only by Express, direct from the Florida nursery.

Not prepaid, 1 bu. \$2.25; 5 bu. \$2.10 per bu.; 10 bu. \$2.00 per bu.

All prices quoted are subject to change without notice

GRASSES—(Continued)

All Seed prices quoted are F.O.B., Plant City except 1 lb. lots which are prepaid.

BAHIA GRASS

For pasture, sow 15 to 20 pounds per acre.

Common, 1 lb. 45c; 10 lbs. \$3.00; 25 lbs. \$7.00; 100 lbs. \$27.00.

Pensacola, 1 lb. 90c; 10 lbs. \$7.80; 25 lbs. \$19.00; 100 lbs. \$75.00.

CLOVER—For Fall Planting

White Dutch Clover (Louisiana Grown)

Recommended especially for mixtures with Bermuda or Dallis Grass in perennial pastures.

Sow 12 to 15 lbs. per acre alone, or 6 to 8 lbs. per acre in a mixture.
Write for prices.

Antauga Reseeding Crimson Clover

Excellent for winter grazing, reseeds under continuous grazing when properly managed. Good legume cover crop and soil builder.

1 lb. 90c; 10 lbs. \$7.80; 25 lbs. \$19.00; 100 lbs. \$75.00.

LUPINS—For Fall Planting

Sow 40 lbs. in drill, 60 lbs. broadcast, drill preferable.

Bitter Blue (For cover crop only). A great winter legume soil builder. 1 lb. 25c; 10 lbs. \$1.00; 25 lbs. \$2.00; 100 lbs. \$7.00.

Sweet Lupin. The dual purpose wonder crop, good for pasture and soil building.

Sweet Blue. 1 lb. 35c; 10 lbs. \$1.35; 25 lbs. \$2.90; 100 lbs. \$10.50.

Sweet Yellow. 1 lb. 35c; 10 lbs. \$2.30; 25 lbs. \$5.25; 100 lbs. \$20.00.

General Field Crops for Fall Planting

Oats

Sow 5 pecks (40 lbs.) per acre in drills. Broadcast 2 to 2 1/2 bu. per acre. A bushel weighs 32 lbs.

Camellia

An extra good late grain oat and excellent for winter grazing. Very rust resistant.

1 lb. 25c; 2 lbs. 45c; postpaid.

Not prepaid—8 lbs. (pk.) 85c; 32 lbs. (bu.) \$2.75.

Tift 14

An excellent quick growing winter grazing oat. Stools out well. Rust resistant.

1 lb. 25c; 2 lbs. 45c; postpaid.

Not prepaid—8 lbs. (pk.) 75c; 32 lbs. (bu.) \$2.50.

Sunflower

Sow 6 lbs. per acre.

F.O.B. Plant City, except in 1 lb. lots, which are postpaid.

Mammoth Russian, 1 lb. 40c; 10 lbs. \$2.80; 25 lbs. \$6.50; 100 lbs. \$25.00.

THE HOME FLOWER GARDEN

We carry complete stocks of flower seeds of all kinds and varieties adapted to Florida. For a complete list of flowers and rose bushes, we refer you to our "Flower Guide for Florida," which may be obtained free of charge through any of Kilgore's fourteen Florida stores or by writing the Kilgore Seed Company, Mail Order Department, Plant City Florida.

All Flower Seeds are priced at 10c per packet, postpaid.

All prices quoted are subject to change without notice

DUSTS AND SPRAYS

MANUFACTURED BY THE KILGORE SEED CO.

Prices quoted are F. O. B. Plant City

For complete information on the use of Insecticide and fungicides for control of insects and diseases see our 1949 annual catalog.

We have a group of technically trained field men, fully familiar with local conditions, who are available to discuss your insect, disease and seed problems with you at any time. Just call us if you need help.

Root-Inducing Materials and Plant Stimulants

HY-GRO SOLUBLE PLANT FOOD

An excellent starter solution for potted plants, seed beds and transplanting. HY-GRO contains all the essential plant foods plus hormones and other plant nutrients such as Baron, Manganese, Copper, Zinc, Magnesium, Iron and Sodium. Use at the rate of 3 tablespoons of HY-GRO dissolved in 2 gallons of water (1 teaspoon in 1 quart). Lawns can be easily watered and fertilized at the same time by attaching a Hy-Gro Gat sprayer (see page 22) to your garden hose.

Dipping plant roots in Hy-Gro solution before setting out helps to overcome the shock of transplanting, and they start growing quicker.

Hy-Gro can be used on growing and fruiting plants as a spray, or in combination with fungicide sprays. As a plant stimulant at the rate of 3 lbs. to 100 gallons. This method has been very successful. It prolongs the life of the plant, increases the size of the fruit and prolongs the picking period. Hy-Gro is now being used very extensively by large commercial vegetable growers.

3 oz. 30c; 20 oz. \$1.00; 2 lbs. \$1.25; 10 lbs. \$4.50; 25 lbs. \$8.00;
50 lbs. \$15.00; 100 lbs. \$21.00

HYPONEX—A Good Starter Solution

Especially valuable in seedbeds and to start plants off after transplanting. Comes in a powder which makes liquid plant food containing all plant food elements plus Vitamin B₁. Dilute 1 oz. in six gals. water. Postpaid.

1 oz. 10c; 3 oz. 25c; 7 oz. 50c; 1 lb. \$1.00; 10 lbs. \$8.00; 25 lbs. \$10.00;
50 lbs. \$16.65; 100 lbs. \$26.65

PLANTABBS FOR HOUSE PLANTS

Plantabbs are a complete, balanced plant food of the high analysis 11-15-20. Use Plantabbs for all indoor potted plants and flowers, window and balcony boxes. Plantabbs are also excellent for garden flowers and vegetables. Plantabbs make vastly stronger root growth.

10 Tablets 10c; 30, 25c; 75, 50c; 200, \$1.00; 1000, \$3.50
